Safety Controls to Protect Electronic Health Records Objective

Describe other safety controls to protect electronic health records

Assignment Overview

In this writing assignment, you will describe the safety controls to protect electronic health records.

Deliverable

- A one-page (250-word) paper

Step 1

Complete research.

Use the Internet to research other safety controls to protect electronic health records.

Step 2

Write a paper.

In your paper, you should present various safety controls to protect electronic health records.

- Identify the advantage and disadvantage of the controls
- Are the controls being used? If so, are they effective?

Step 3

Save and submit your assignment.

When you have completed the assignment, save a copy for yourself in an easily accessible place and submit a copy to your instructor using the dropbox.
